

KAGO PRIVATE ATELIER · CURATED SUMMER EDIT

The Summer **LONDON**

Five complete looks for the discerning woman.

Summer 2026 · Curated for warmth, power and occasion.

A NOTE FROM THE ATELIER

Dressed for a London Summer That Means Something

London in summer is not Ibiza. It is Serpentine Gallery openings, Glyndebourne, private members' terrace lunches, boardroom windows left ajar. It calls for clothing that is cool to the touch but never casual in intention. These five looks are curated specifically for a woman who moves between worlds with the same assurance — the professional, the collector, the host, the woman who arrives and is simply, quietly, the best-dressed in every room.

THE LOOK

Brunello Cucinelli

Double-breasted linen blazer, sand — nipped waist, elongated lapels, mother-of-pearl buttons. The defining piece. Worn open over nothing beneath.

~£2,800

SHOP BRUNELLO CUCINELLI >

Loro Piana

Goldie linen wide-leg trousers in undyed natural — high-waisted, pressed crease, extraordinary drape. These are not trousers. They are architecture.

~£1,750

SHOP LORO PIANA >

Loro Piana

Linen-silk camisole in raw ivory — worn under the open blazer. The only layer needed. Lets the air in and keeps the elegance intact.

~£620

SHOP LORO PIANA >

SHOES, BAG & ACCESSORIES

Christian Louboutin

Just Nothing mule, 55mm — TPU and patent calf leather in blush. The barely-there heel that says everything. Polished, not precious.

~£595

SHOP LOUBOUTIN >

Bottega Veneta

Andiamo bag in natural tan intrecciato — the working woman's bag. Holds a laptop, a brief, and a bottle of sparkling water. Utterly, quietly magnificent.

~£4,200

SHOP BOTTEGA VENETA >

Loro Piana

Straw wide-brim hat in natural raffia — because summer in London occasionally offers sun, and a woman like this is always prepared. Quietly extraordinary.

~£580

SHOP LORO PIANA >

She arrives at Annabel's at 12:45 for a lunch that was "casual" only in the calendar description. The sand linen blazer catches the light coming through the garden doors. Nothing matches exactly. Everything coordinates precisely. This is the difference between dressing and styling. She orders sparkling water. She is the most powerful woman at the table. Nobody needed to be told.

THE LOOK

The Row

Guinevere silk charmeuse slip dress in ivory — bias-cut, midi-length, almost indecently elegant. It moves like nothing else on earth. The sort of dress that turns a garden party into a private film.

~£2,100

SHOP THE ROW >

The Row

Cashmere-silk wrap in cognac or dusty rose — draped over the shoulders when the sun drops behind the pavilion. A masterclass in the power of a single statement layer.

~£980

SHOP THE ROW >

Loro Piana

Linen flower pin in natural straw — the Cardo Pin. Worn at the décolletage. One detail that signals you know exactly what you are doing and have done it for years.

~£220

SHOP LORO PIANA >

SHOES, BAG & ACCESSORIES

Christian Louboutin

Miss Z strappy sandal, 100mm — in Vintage Rose laminated leather. The signature Louboutin silhouette: long, tapered, impossibly sleek. The red sole catches the garden light.

~£875

SHOP LOUBOUTIN >

Bottega Veneta

Andiamo clutch on chain — in powder pink or cream intrecciato. Evening-scale Bottega. Fits a card, phone, and lipstick. Held in the crook of the arm like a secret.

~£2,100

SHOP BOTTEGA VENETA >

Cartier

Tank Must watch in gold — the only jewellery needed. The wrist statement that closes the look. Not a watch. A declaration of certainty about time, taste, and one's own standards.

From £2,800

SHOP CARTIER >

The silk catches the last light of a London July evening at

8:47pm. She is holding a glass of Ruinart Blanc de Blancs and saying very little. The art on the walls is interesting. She is more interesting. Three people ask who she is. One of them is the artist.

THE LOOK

Loro Piana

Spagna linen-silk jacket in chalk white — the SS2025 hero piece. Pinched waist, clean collar, extraordinary weight. Not a blazer. A decision. Worn with its matching straight-leg trouser.

~£3,200 (jacket)

[SHOP LORO PIANA SS >](#)

Loro Piana

Hector silk-linen trousers in chalk white — matching the jacket. Straight cut, self-pressing line, high-rise. The co-ordinated suit without the costuming. Impossibly light for a June board meeting.

~£1,930

[SHOP LORO PIANA >](#)

Loro Piana

Fine silk jersey tank in ivory beneath — an inch of tonal layering that elevates the suit from office to occasion. The detail no one sees but everyone feels.

~£450

[SHOP LORO PIANA >](#)

SHOES, BAG & ACCESSORIES

Christian Louboutin

So Kate pump, 120mm — in black patent. The defining heel of a woman who chairs meetings. Sharp at the toe. Utterly relentless. The only punctuation this suit requires.

~£695

[SHOP LOUBOUTIN >](#)

Bottega Veneta

Andiamo large in black intrecciato — the professional's choice. Documents, laptop, agenda. Zero branding. Absolute authority. The bag that signals you do not need to signal anything.

~£6,800

[SHOP BOTTEGA VENETA >](#)

Loro Piana

Traveller sunglasses in dark tortoise — worn in the taxi, removed at the door. Named after the iconic garment. Japanese acetate, advanced lenses. The look is complete the moment they come off.

~£490

[SHOP LORO PIANA >](#)

The chalk-white suit walks into the room before she does.

Nobody calls the meeting to order. She does. There are fourteen people at the table. She is the only one in linen-silk. The rest are in polyester they are pretending is wool. She notices. She says

nothing. She does not need to.

SHOES, BAG & ACCESSORIES

The Row

Nori wide-leg trouser in cream cotton — fluid, unstructured, deeply considered. The weekend trouser that makes every other brand's trousers look like they are trying too hard.

~£940

[SHOP THE ROW >](#)

Loro Piana

Linen-silk blouse in natural ecru — oversized sleeve, clean drop shoulder, worn half-tucked. The SS2025 collection. Breathable in a way that feels almost unfair to the rest of the wardrobe.

~£1,100

[SHOP LORO PIANA >](#)

Loro Piana

Straw bucket hat with leather trim — from the SS2025 lookbook. The collector goes to Portobello prepared. The hat is not an accessory. It is the statement that says: I have been doing this longer than you think.

~£490

[SHOP LORO PIANA >](#)

Christian Louboutin

Her In Roma flat sandal in Saharienne nubuck — the elevated flat. A 70mm architectural sole on a barely-there upper. For hours of walking through Notting Hill without ever compromising the look.

~£595

[SHOP LOUBOUTIN >](#)

Bottega Veneta

Cabat tote in natural intrecciato — the original quiet luxury bag. Big enough for auction catalogues, a vintage silk scarf, and a small treasure found in a Camden dealer's back room. Timeless since 1966.

~£5,200

[SHOP BOTTEGA VENETA >](#)

Loro Piana

Silk foulard in field botanicals — tied at the wrist or worn in the hat. The SS2025 heritage motif scarves paying homage to the Maison's textile archive. One square of silk. Unmistakable.

~£380

[SHOP LORO PIANA >](#)

She is not at Portobello to browse. She is there to acquire. The dealers know her. They bring things out from the back. The cream trouser hems skim the cobblestones without touching. She finds a 1968 Chanel chain belt in a velvet tray. She negotiates quietly. She wins. She was going to win before she arrived.

SHOES, BAG & ACCESSORIES

Saint Laurent

Le Smoking tuxedo jacket in black crepe — the one that started everything. Sculpted lapel, nipped waist, worn over nothing but a black silk camisole. The jacket that is an entire philosophy of dressing in one garment.

~£3,800

[SHOP SAINT LAURENT >](#)

Saint Laurent

High-waisted straight trouser in black satin-crepe — the tuxedo trouser that pairs with the jacket into London evening. Cigarette-cut, side-seam pressed. Worn with the faintest heel. Lethal.

~£1,200

[SHOP SAINT LAURENT >](#)

Loro Piana

Fine silk charmeuse camisole in black — the single piece worn under the open jacket. The sliver of silk between black satin and bare skin. The detail that turns a suit into a statement.

~£490

[SHOP LORO PIANA >](#)

Christian Louboutin

Pigalle Follies pump, 100mm — in black patent. The most precise heel ever designed. The one that turns a walk across a restaurant into a statement of intent. Nothing else is appropriate. Nothing else is necessary.

~£745

[SHOP LOUBOUTIN >](#)

Saint Laurent

Sac de Jour nano in black matte crocodile-embossed leather — held in the hand, not the shoulder. Because this evening she is not carrying anything. She is presenting it. One bag. Zero compromise.

~£1,950

[SHOP SAINT LAURENT >](#)

Cartier / No further jewellery

Tank Must in yellow gold — the only thing on her wrists. No rings. No necklace. No earrings. Nothing competes with the suit. The watch is permission. Everything else would be noise.

From £2,800

[SHOP CARTIER >](#)

She does not enter the restaurant. The restaurant becomes the place she is in. The maître d' escorts her to the table before she asks. The man she is dining with stands up when she arrives. They all do. The tuxedo is summer because she made it summer. That is what dressing with intention means.
